## GENERAL HEALTH QUESTIONNAIRE (GHQ-12)

Name: MARY LUMLEY Date: 12 JUNE 2010

## Please read this carefully.

We should like to know if you have had any medical complaints and how your health has been in general, over the last few weeks. Please answer ALL the questions simply by underlining the answer which you think most nearly applies to you. Remember that we want to know about present and recent complaints, not those that you had in the past.

It is important that you try to answer ALL the questions.

Thank you very much for your co-operation.
